

Our *Purpose* is to know Jesus,
to worship Him, to grow in His grace.

We have a *Passion* to win the lost.

Purity and holiness call us deeper

into fellowship with Him;

knowing *Prayer* holds the key.

There is a life in the Spirit

where believers

minister God's *Power* to heal,

deliver, and set free.

Getting Acquainted

The Lord directed my wife and me to establish this ministry in order to take the gospel “*from the innermost heart, to the utter-*

most part of the world?” Everything we do is to help you become more

like

Jesus!

In obeying this, we place the highest priority on teaching a life of faith as presented in the Bible, encouraging all to reach out to the hurting around them. We believe the various ministries of this local church will be an encouragement for your life and ministry. Please let us know if there is anything that we can do for you.

Jesus is Lord!

Our Vision

Our vision is best expressed through the use of the word **TEAM**.

God has called us to *transform, equip and mobilize* all believers to fulfill the destiny of their lives.

This can only be accomplished in a team environment. We believe God deserves our best, and we pursue excellence to see His purposes fulfilled in every individual life.

The gifts and callings that He has placed in your life are a precious gift for those around you—for every life that *you* can touch.

Together, we are good and faithful stewards of what Jesus has called us to be and do. We walk in His Word, we walk in unity, we walk in love.

What You Can Expect

You can expect your life to be *transformed* through the anointed ministry of God’s Word, through the power of the Holy Spirit moving in His gifts, through a growing faith that brings total victory in every area of your life. Hungry hearts knows there is more!

We are *equipped* to fulfill our divine purpose and we take our place serving in His Kingdom. Every member is a vital part of what God accomplishes in our midst.

We are not standing still any longer. He has *mobilized* us to a great task. The very life of the Church is releasing us to minister. God has put something in our heart to draw us together, and we are ready to rise up to the challenge.

We are a Church with *enough power to reach the world, and enough love for every heart and home.*
